NATIONAL HISTORICAL PUBLICATIONS & RECORDS COMMISSION

Grant Number 79-124

PROVENANCE:

Most of these materials were given to the Institute between 1912 and 1946 by various donors: Charles Ingalls, Paul Wilke, Harold Aubry, Dr. John Ware, Louise Kreischer, and State Senator Howard Bayne.

The bulk of materials, which were unaccessioned, but had been in the Institute's collections for many years, were accessioned in 1965.

HISTORICAL NOTE:

These materials have nothing in common with other collections which have been established. (The item which Miss Kreischer deposited referred to Stapleton, and was related in no way to the Kreischer family).

Therefore, this storage group was set up to provide a reference point for the retrieval of these papers.

SCOPE & CONTENT:

The Organization Collection deals with the activities of organizations of Staten Island. The collection comprises two cubic feet and contains a total of 46 folders. The collection is open and expansion room exists in each of the boxes.
